## Helping you sell more machines

Drive Assemblies • Valve Blocks • Electronic Controls  
Power Units • Repair and Testing Facility

### **Sauer-Danfoss**

Closed circuit piston pumps and motors, open circuit piston pumps, orbital motors, steering components, proportional valves, mobile electronics

### **Fairfield Manufacturing**

Torque Hub™ final drives, input brakes, custom gear manufacturing

### **HBC radiomatic**

High-quality radio controls

### **Plus +1™ Mobile Electronics**

Microcontrollers, displays, joysticks, sensors, Plus +1™ GUIDE

### **HydraForce**

Hydraulic and electro-hydraulic cartridge valves, custom manifold systems

### **Haldex Hydraulics**

Gear pumps and motors, hydraulic power packs, rotary flow dividers

**ASA Hydraulik**  
Heat exchangers

**Comatrol**  
Hydraulic cartridge valves,  
catalog and custom HICs

**Geartek**  
Cast iron gear pumps,  
motors, flow dividers

**Hydro-Gear**  
Hydrostatic transaxles,  
closed-circuit piston  
pumps, wheel motors

**Mico**  
Off-highway brakes,  
actuators, controls

**Schabmüller**  
AC & DC motors, integrated  
drive systems

**Schwarz Müller Inverter**  
Plus+1 mobile inverters

**Vonberg Valve**  
Inline check valves, flow  
limiters, velocity fuses

**Argo-Hytos**  
Directional control valves,  
filtration

**Durst**  
Pump drives, transfer cases,  
bevel drives, worm drives,  
parallel shaft gearboxes

**Hydro Leduc**  
Fixed displacement piston  
pumps and motors

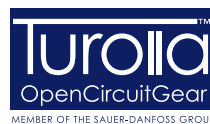

**IMO**  
Slew rings and slew drives

**MPFiltr USA**  
Pressure, return, suction,  
and charge filters

**Rineer Hydraulics**  
High-torque vane motors

**Turolla OCG**  
Gear pumps, motors,  
fan drive systems

**Walvoil**  
Directional control valves,  
diverter valves, hydraulic  
joysticks and foot pedals
